## Product Hiring Team

NovaTech Products

London, UK

Dear Product Hiring Team,

I am writing to express my enthusiastic interest in the Product Manager position at NovaTech Products. With a Bachelor of Science in Mechanical Engineering and six years of experience as a Process Engineer, I am eager to leverage my transferable skills in problem solving, stakeholder collaboration, and analysis to make a meaningful impact in product management. Throughout my engineering career, I have honed my ability to dissect complex problems, work closely with cross-functional teams, and drive continuous improvement—skills that align well with the demands of a Product Manager role. I am confident that my analytical mindset and collaborative approach will enable me to contribute valuable insights and innovative solutions to your team. Making this career transition is a forward-looking step that I embrace with honesty and confidence, excited by the opportunity to grow and deliver value in a new capacity. I would welcome the chance to discuss how my background and skills align with the goals of NovaTech Products. Thank you for considering my application, and I look forward to the possibility of contributing to your team's success...

Sincerely,

Kind regards,

**Sarah Nguyen**
