## TO WHOM IT MAY CONCERN

Dr. Thomas Keller  
PhD in Data Science

Hiring Committee  
Northbridge University

Dear Members of the Hiring Committee,  
I am writing to express my sincere interest in the Research Fellow position at Northbridge University as advertised. With a PhD in Data Science and recent experience as a postdoctoral researcher specializing in applied machine learning, I am confident in my ability to contribute significantly to your academic team.

During my doctoral studies and postdoctoral research, I focused extensively on advanced methodologies in applied machine learning, developing innovative models that address real-world data challenges. My work not only expanded theoretical frameworks but also demonstrated practical applications, which I believe aligns well with the research goals at Northbridge University.

I am particularly drawn to Northbridge University because of its commitment to academic excellence and fostering interdisciplinary approaches within data science. I am eager to collaborate with fellow researchers and contribute to cutting-edge projects that advance knowledge and technology.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences can support your department's mission. Please feel free to contact me at your convenience.

Sincerely,  
Dr. Thomas Keller
